

EXTERIOR CONCRETE DECORATIVE RESURFACING

One of the most popular services we provide is resurfacing of existing concrete surfaces. Many Clients have structurally sound concrete that just needs a facelift.

INTERIOR FLOORING

The attention-grabbing floors are High Performance, Low Maintenance, Completely Custom, and Competitively Priced to look Great.

COMMERCIAL FLOORING

Wow your clients and customers with these High Quality, Low Maintenance Floors. They are Competitively Priced for years of use.

SURFACE PREP SERVICE

Diamond Grinding and Concrete Repair Services are available for those wanting to apply your own finish but don't have the means to do the messy work.

GARAGE FLOORING

Turn that run down, cracked, and stained garage floor into a new upgraded decorative floor that resists stains and is easy to maintain.

COUNTERTOPS & TABLES

Perfect for bars, counters, tables, or even art pieces! We can transform an existing surface or finish off your own personal project with a tough as nails topcoat.
